

Dear Operation Shoebox,

Thank you for the small packs of various goodies you sent us. They are the perfect size and content for us to give directly to individuals. ~~It is~~ They will go to some of the soldiers we have in various areas in Afghanistan. God Bless.

I want to express my sincere gratitude to your organization for all that you have done and continue to do for myself and all of my brothers and sisters in arms while we're deployed down range. There's nothing that boosts morale more than receiving a care package. From the bottom of my heart, Thank You!

Sincerely, TSgt Adam Tussing

Thank you so much for the wonderful care packages. The troops here in Kabul, Afghanistan really appreciate all of your effort. It is nice to know that people back home are thinking of us while we are away from home!
